

Doc. 15827
11 October 2023

Examining the legitimacy and legality of the ad hominem term-limit waiver for the incumbent President of the Russian Federation

Amendment¹ No. 1

Mr Oleksii GONCHARENKO, Ukraine, European Conservatives Group and Democratic Alliance

In the draft resolution, after paragraph 1.3, insert the following paragraph:

"Civil society stands as a cornerstone of any democratic nation. When there is a lack of political opposition, it not only undermines the rule of law but also results in a less diverse and enduring democratic environment. This, in turn, causes reduced citizen engagement and fosters indifference to the nation's current affairs, making the population susceptible to state propaganda."

Explanatory note

Lack of political culture and opposition leads to civil society being passive and indifferent towards a country's interests.
