

Doc. 15827
11 October 2023

Examining the legitimacy and legality of the ad hominem term-limit waiver for the incumbent President of the Russian Federation

Amendment¹ No. 2

Mr Oleksii GONCHARENKO, Ukraine, European Conservatives Group and Democratic Alliance

In the draft resolution, after paragraph 4, insert the following paragraph:

"These tendencies, with limited response from the international community, set a concerning precedent for countries lacking a robust democratic tradition, as seen in the case of Belarus, where the self-proclaimed president de facto maintains power despite the results of the 2020 elections not being recognised."

Explanatory note

An ad-hoc procedure in Russia sets a negative example for countries lacking a democratic tradition, like Belarus.
