01 October 2024

The detention and conviction of Julian Assange and their chilling effects on human rights

Amendment¹ No. 3

In the draft resolution, replace paragraph 18 with the following paragraph:

"The Assembly considers that the charges brought against Julian Assange by the United States of America, and in particular the heavy penalties foreseen under the Espionage Act 1917, may fulfil some of the criteria set out in Resolution 1900 (2012) "The definition of political prisoner"."
