

Doc. 16044
03 October 2024

Protecting the human rights and improving the lives of sex workers and victims of sexual exploitation

Amendment¹ No. 15

In the draft resolution, paragraph 12.4.1, replace the words "sexual and reproductive healthcare services, including prevention and treatment for HIV and other sexually transmitted infections, screening for reproductive cancers, contraception, safe abortion care and trauma counselling" with the following words:

"physical and mental healthcare"
