

Doc. 16044
03 October 2024

Protecting the human rights and improving the lives of sex workers and victims of sexual exploitation

Amendment¹ No. 21

In the draft resolution, replace paragraph 12.6.6 with the following paragraph:

"hold businesses and industries accountable for their role in the exploitation of prostitution; and with regard to the technology sector to shut down websites that promote the trafficking and sexual exploitation of women and to disrupt the business model of websites advertising prostitution."
