Protecting the human rights and improving the lives of sex workers and victims of sexual exploitation

Amendment¹ No. 27

Ms Alessandra MAIORINO, Italy, Members not belonging to a Political Group

In the draft resolution, paragraph 4, replace the words from "sex work" in the first sentence to the end of the paragraph with the following words:

"prostitution, which represents the major driving factor of human trafficking around the world. They should prioritise a human rights-based approach aimed at preventing and countering exploitation and discrimination against persons in prostitution."
