Foreign interference a threat to democratic security in Europe

Amendment¹ No. 1

Ms Laura CASTEL, Spain, Group of the Unified European Left

In the draft resolution, paragraph 4, delete the following words:

"the 2017 coup d'état from Catalanian regional government leaders against the Spanish constitutional order,"

Explanatory note

The Spanish Supreme Court, on 13th March, has annulled and filed this case of alleged interference, in line with the request of the Spanish Attorney General.

Further, affirming that a referendum is a coup d'état contravenes common sense and previous resolutions regarding the Catalan case.
