Foreign interference a threat to democratic security in Europe

Amendment¹ No. 7

Ms Marijana PULJAK, Croatia, Alliance of Liberals and Democrats for Europe

In the draft resolution, after paragraph 14.2, insert the following paragraph:

"encourages the use of artificial intelligence as a tool for democratic innovation, including for strengthening public participation, improving transparency and accountability in governance, supporting fact-checking and electoral integrity, and fostering inclusive, efficient, and resilient public services;"

Explanatory note

This amendment underlines that AI is not only a risk but also a tool to strengthen democracy, support fact-checking, improve transparency and enhance public services, in line with the values of the Vilnius Convention.
