Foreign interference a threat to democratic security in Europe

Amendment¹ No. 13

Ms Olena KHOMENKO, Ukraine, European Conservatives, Patriots & Affiliates

In the draft resolution, after paragraph 4, insert the following paragraph:

"The Assembly recognises that the Russian Federation is using all the tools available to it to influence the foreign and domestic policies of European countries, including through the development of new technologies and new methods of deception, and it can use representatives of so-called anti-war movements in information and other special operations."
