Legal and human rights aspects of the Russian Federation's aggression against Ukraine

Amendment¹ No. 28

Ms Sophia CHIKIROU, France, Group of the Unified European Left

In the draft resolution, after paragraph 4.12, insert the following paragraph:

"The Russian Federation has also been condemned by the European Court of Human Rights for acts of torture and inhuman treatment committed against its own citizens, particularly internal dissenters such as Azat Miftakhov, for exemple in the case Kozayev and Others v. Russia of 14 September 2023."

Explanatory note

This amendment seeks to recall that the Russian authorities also repress their internal opponents and have been sanctioned accordingly, including by rulings of the European Court of Human Rights (e.g., the case Kozayev and Others v. Russia of 14 September 2023).
