The Parliamentary Assembly should support Kazakhstan to continue its democratic reforms

Amendment¹ No. 1

Mr Max LUCKS, Germany, Socialists, Democrats and Greens Group

In the draft resolution, paragraph 2, replace the last sentence with the following sentences:

"The Assembly further recalls its Resolution 2540 (2024) "Alexei Navalny's death and the need to counter Vladimir Putin's totalitarian regime and its war on democracy", expressing concern regarding the sharp increase in the import of microchips by Kazakhstan and corresponding exports to the Russian Federation. It is equally alarmed by the large quantities of crude oil exported from the Russian Federation to India and subsequently sold onwards to the West."
