CONSEIL DE L'EUROPE

Doc. 16239
30 September 2025

Youth movements for democracy

Amendment[1] No. 2
Mr Benjamin DALLE, Belgium, Group of the European People's Party

In the draft resolution, after paragraph 4.4.1, insert the following paragraph:

"strengthening the provision of quality leisure activities for children and young people in the fields of youth work, sports and culture, as a means to fostering their personal development and social inclusion;"

Explanatory note

Quality leisure time is almost as important as formal education for the well-being and development of children and young people. However, it is too often overlooked in policy-making, despite its key role in fostering social skills, creativity and inclusion.
