01 October 2025

Analysis and guidelines to guarantee the right to housing

Amendment¹ No. 11

Ms Elisabetta GARDINI, Italy, European Conservatives, Patriots & Affiliates

In the draft resolution, at the end of paragraph 6.6, insert the following words:

", without penalising legitimate property use and tourism-related economic activities, which provide important income for families and local communities"

Explanatory note

Short-term rentals are not only a challenge but also an economic resource, especially for families and tourism. Regulations should not harm these positive aspects.
