Analysis and guidelines to guarantee the right to housing

Amendment¹ No. 12

Ms Elisabetta GARDINI, Italy, European Conservatives, Patriots & Affiliates

In the draft resolution, replace paragraph 7.1 with the following paragraph:

"encourage fair rental practices in urban areas while respecting the principles of the free market, ensuring that regulations do not discourage private investment in housing supply;"

Explanatory note

Tenants' rights must be protected, but balance requires also defending the rights of small property owners, who may otherwise face unfair burdens.
