# Analysis and guidelines to guarantee the right to housing

**Amendment[1] No. 13**
Ms Elisabetta GARDINI, Italy, European Conservatives, Patriots & Affiliates

*In the draft resolution, replace paragraph 7.4 with the following paragraph:*

"prioritise access to housing for citizens and legal residents in vulnerable situations, while ensuring that support measures remain sustainable and do not undermine social cohesion;"

*Explanatory note*

This amendment clarifies that priority should be given to citizens and legal residents. Extending equal access indiscriminately, including to irregular migrants, risks undermining public trust and cohesion.
