Analysis and guidelines to guarantee the right to housing

Amendment¹ No. 14

Ms Elisabetta GARDINI, Italy, European Conservatives, Patriots & Affiliates

In the draft resolution, replace paragraph 8.1 with the following paragraph:

"promote renovation of ageing housing stock in a manner that is economically sustainable and does not impose disproportionate costs on families and small property owners;"

Explanatory note

Green renovation is important, but costs must be proportionate and should not create an unsustainable burden for families and small property holders.
