Written question No. 805 to the Committee of Ministers

by Ms Laura CASTEL, Spain, Group of the Unified European Left

The European Convention on Human Rights is binding on all member States of the Council of Europe.

Israel attacked six civilian ships in international waters from the Global Sumud Flotilla, kidnapping 25 Spanish, 9 Turkish, 4 French, 3 German and 3 British citizens, who are covered by this international treaty.

Ms Castel

To ask the Committee of Ministers:

What steps may it take towards those member States that have failed to protect their citizens?
