Supporting the commitment to a comprehensive, just and lasting peace for Ukraine and the security of the European continent

Amendment¹ No. 4

Ms Olena KHOMENKO, Ukraine, European Conservatives, Patriots & Affiliates

In the draft resolution, replace paragraph 1 with the following paragraph:

"The Parliamentary Assembly welcomes diplomatic efforts deployed by the United States, Ukraine and its allies to end Russia's war of aggression against Ukraine, which began in 2014 and, since 24 February 2022, took the form of an illegal, unprovoked and unjustified full-scale military invasion. As this war of aggression enters its twelfth year, the Assembly renews its call for a comprehensive, just and lasting peace, which is essential for the security and stability of Ukraine and the entire European continent, stressing that the security of Ukraine is indivisible from that of Europe. The Assembly considers that the outcome of the war of aggression against Ukraine will have a significant impact on the future of European security, and far-reaching consequences for the international order and the stability of international relations."

Explanatory note

The Resolution must explicitly stress the continuity of Russian aggression against Ukraine since 2014. Failing to do so could be interpreted as legitimising or excusing the annexation of Crimea and the occupation of parts of Donetsk and Luhansk in 2014.
