27 January 2026

Supporting the commitment to a comprehensive, just and lasting peace for Ukraine and the security of the European continent

Amendment¹ No. 9

Ms Olena KHOMENKO, Ukraine, European Conservatives, Patriots & Affiliates

In the draft resolution, after paragraph 9.11, insert the following paragraph:

"ensure that any peace negotiations or agreements shall not give rise to provisions, obligations, or conditions concerning the conduct, timing, or outcome of elections in Ukraine, as these matters fall within Ukraine's exclusive domestic jurisdiction. Ukraine retains the sovereign right to take all measures necessary to ensure the security and integrity of its electoral process, recognising that any undue haste in holding elections under the present circumstances may undermine the rule of law and democratic principles."

Explanatory note

The amendment aims to reduce external pressure on Ukraine in the context of elections and to minimise attempts by the Russian Federation to exploit this topic to advance its military objectives.
