Amendment¹ No. 10

Ms Mariia MEZENTSEVA-FEDORENKO, Ukraine, Group of the European People's Party

In the draft resolution, replace paragraph 11.3 with the following paragraph:

"strengthen accountability mechanisms for all war crimes, crimes against humanity and other violations of international law by Russia, and, in particular, take the necessary measures to ensure accountability for deliberate and systematic attempts to erase Ukrainian cultural identity through persecutory practices in the temporarily occupied territories. At the national level, States should analyse and activate their capabilities for strategic prosecutions, universal jurisdiction investigations, and evidence-sharing to ensure the long-term accountability of Russia and to establish further an accurate historical record to fight against Russian disinformation."
