

Doc. 16315  
28 January 2026

## For a ban on conversion practices

### Amendment<sup>1</sup> No. 8

Mr Paweł JABŁOŃSKI, Poland, European Conservatives, Patriots & Affiliates

*In the draft resolution, after paragraph 8.1.1, insert the following paragraph:*

"introduce legislation prohibiting the prescription or administration of puberty-suppressing hormones (puberty blockers) to persons under 18 years of age outside strictly defined, exceptional clinical emergency contexts and always with paternal consent; and require clear, evidence-based national clinical guidance and oversight and establish sanctions for the unlawful provision thereof;"

### *Explanatory note*

Self explanatory. Life-changing drugs should never be administered to minors incapable of understanding consequences lasting their entire lives. Parental consent should always be required.
