

Doc. 16421
24 June 2026

Fighting back against transnational repression

Amendment¹ No. 3

Mr Eerik-Niiles KROSS, Estonia, Alliance of Liberals and Democrats for Europe

In the draft resolution, after paragraph 5.9, insert the following paragraph:

"arbitrary prevention of renunciation of citizenship."

Explanatory note

Nationality should not be used as an instrument of coercion, intimidation, retaliation, political control or legal pressure against persons residing abroad. States should ensure that nationality remains a legal bond based on rights and obligations not a mechanism of extraterritorial repression
