Violent pornography: a test for human rights

Amendment¹ No. 18

Mr Rónán MULLEN, Ireland, Group of the European People's Party

In the draft resolution, paragraph 4, replace the words "extreme and violent content may have on individuals" with the following words:

"pornographic content, especially where extreme and violent, may have on individuals' mental and sexual health, well-being and security, as well as on couples, families"

Explanatory note

There is a considerable body of evidence on the effects of pornography consumption on people's ability to mature sexually and to have healthy and respectful emotional and sexual relationships.
