The need for systemic support to Ukrainian soldiers who became disabled as a result of hostilities

Amendment¹ No. 3

tabled by the Committee on Equality and Non-Discrimination

In the draft resolution, at the end of paragraph 11.1, insert the following sentence:

"All veterans with disabilities should have access to all the rights, benefits and support services included in the veterans' policy, without discrimination on any ground".

Explanatory note

It would be appropriate to explicitly spell out that the veterans' policy should be applied in a non-discriminatory way encompassing all possible grounds of discrimination, as this may require specific measures to ensure that all veterans are treated equally.
