The need for systemic support to Ukrainian soldiers who became disabled as a result of hostilities

Amendment¹ No. 4

tabled by the Committee on Equality and Non-Discrimination

In the draft resolution, after paragraph 11.1, insert the following paragraph:

"ensure the full participation of veterans with disabilities in all their diversity, and the organisations that represent them, in the development of Ukraine's veterans' policy;"

Explanatory note

It is critical that those directly affected by veterans' policies, including women and LGBTI veterans, have the opportunity to participate in their formulation so that their lived experiences and needs can be fully considered.
