Towards a family-friendly Europe: policy recommendations for demographic renewal

Amendment¹ No. 6

Mr Murat Cahid CINGI, Türkiye, Members not belonging to a Political Group

In the draft resolution, paragraph 11.5.6, delete the following words:

“rainbow families,”

Explanatory note

The amendment aims to remove the reference to same-sex families for financial support. Because such structures do not contribute to targeted population growth. Family policies should prioritise the family as recognised in Article 16 of the Universal Declaration of Human Rights.
