Rapporteur: Mr Henri C. J. HEYMAN, Belgium

Draft Resolution

The Assembly was deeply interested in Section A of the first Progress Report submitted to it by the Brussels Treaty Organisation.

It welcomes the extensive work achieved within the scope of this Organisation and will carefully observe the results obtained from the co-operation and co-ordination that have been instituted between the member countries of the Brussels Treaty Organisation.

The Assembly will, to this end, make a point of studying with the greatest attention and in a spirit of co-operation all reports submitted to it.
