

Doc. 222

22 January 1954

Joint efforts to be made by Western Europe to put its trade with the East on a normal basis

Request for inclusion in the Agenda of the Session

tabled by Mr Hellmut KALBITZER and other members of the Assembly

The Assembly,

Welcoming the prospects of a resumption of trade between East and West

Considering that these prospects call for consultation between Member States of the Council of Europe,

Decides to include in its Agenda the following question:

"Discussion on the joint efforts to be made by Western Europe to put its trade with the East on a normal basis."
