COUNCIL OF EUROPE
CONSEIL DE L'EUROPE

Doc. 66
17 August 1950

Creation of a European Technical Centre of Housing and Building

Motion for a resolution
tabled by Mr Jacques BICHET and other members of the Assembly

The Assembly,

Having taken note of the Report of the Committee on Social Questions;

realising the importance of the problem of Housing, and the necessity of finding a rapid solution for it, a task which is complicated by excessive building costs;

demands the establishment of a European Technical Centre for Housing and Building.
