

Order 99 (1956)

Relations between the Consultative Assembly and national parliaments

Parliamentary Assembly

The Assembly,

In pursuance of [Resolution 104](#) setting up a Working Party for liaison with national parliaments,

Invites all national delegations to appoint one or several "spokesmen" from their own number to be responsible for relations between the delegation and the Working Party. Their task will be to co-operate with the Working Party in all questions concerning the links between the Consultative Assembly and the national parliaments and thereby to facilitate the application of the Working Party's suggestions.
