

Order 173 (1960)¹

European Conference of National Associations concerned with wines, spirits and beer

Parliamentary Assembly

The Assembly,

Expressing its satisfaction at the spirit of co-operation displayed during the proceedings of the European Conference of National Associations concerned with wines, spirits and beer, held at Strasbourg on 4th and 5th April 1960;

Noting that these organisations have, as a result of the Conference, expressed the wish that they should be given an opportunity to continue the work begun; and that other organisations which did not participate in the work of the first Conference have shown a desire to be invited to any future conference that may be held;

Believing that the co-operation thus established between the producers, the trade and members of the European Assemblies is likely to afford an important contribution to the success of the work of the Committee of Experts,

Instructs its Committee on Agriculture to take the necessary steps to that a new Conference of the National Associations may be organised in Strasbourg at a date to be determined in agreement with the Committee of Experts.

1. 19th Sitting
