

Recommendation 314 (1962)¹

Possibility of some form of economic agreement between Spain and the EEC

Parliamentary Assembly

1. The Assembly,
2. Taking note of Spain's request for association with the European Economic Community,
3. Recommends that the Committee of Ministers should urge the Members of the European Economic Community to examine the possibility of some form of economic agreement between Spain and the European Economic Community, bearing in mind the constitutional changes that will be necessary before any form of political association can be contemplated.

1. Assembly debate on 15th 16th and 17th May 1962 (2nd, 3rd, 4th, 5th and 6th Sitzings) (see [Docs. 1420](#) Docs. 1420. Report of the Political Committee, and [Doc. 1436](#) and [Doc. 1444](#), revised draft Recommendations). Text adopted by the Assembly on 17th May 1962 (6th Sitting).
