Resolution 4 (1951)[1]

Promotion of Cultural and Scientific Activities among Refugees belonging to European Nations not represented in the Council of Europe

Parliamentary Assembly

The Assembly resolves :

That the Special Committee enter into relations with the organisations which are competent to study and report on the internal problems of the States cut off from the Western world, in order that the knowledge, experience, documentary material and suggestions of such organisations may be made available in connection with the activities of the Council of Europe ;

That the Secretariat-General undertake a study of the cultural and scientific organisations and institutions which hare been established within the various national groups among the refugees ;

That a programme be drawn up in collaboration with the Committee on Cultural and Scientific Questions, with the aim of maintaining and developing the unrestricted activities of refugees in the cultural and scientific fields ;

That appropriate references be included in the Recommendations and Resolutions of the Assembly.

1. This Resolution was adopted by the Assembly at its Sixteenth Sitting, 15th May 1951.(See Doc. 12, Report of the Special Committee to watch the interests of European Nations not represented in the Council of Europe.)
