Considering that the said decisions are mainly concerned with re-organising O.E.E.C. which would extend its present membership to include its two Associate Members, the United States and Canada ;

2. to instruct the special group to study the system of co-operation between the Council of Europe and O.E.E.C., particularly as regards parliamentary control over the activities of O.E.E.C., in its re-organised form.

With this end in view the special group will establish contact with the group of four experts who have been instructed to report on the reorganisation of O.E.E.C., with the twenty-Government Conference of high officials due to be held in Paris on 19th April 1960, and with members of Governments, Members of Parliament and high officials of Member States.
