COUNCIL OF EUROPE
CONSEIL DE L'EUROPE

Resolution 1275 (2002)[1]

Draft texts on contested credentials and amendments thereto

Parliamentary Assembly

1. The Assembly considers that for the sake of clarification, the provisions concerning draft texts on contested credentials and amendments thereto should be updated.

2. Consequently, the Assembly decides:

to modify as follows Rule 7.3: "Reports submitted to the Assembly or the Standing Committee under paragraph 2 shall contain a draft resolution proposing in its operative part:

a. ratification of the credentials;

b. non-ratification of the credentials;

c. ratification of the credentials together with depriving or suspending the exercise of some of the rights of participation or representation of members concerned in the activities of the Assembly and its bodies. The provisions on amendments (Rule 34) shall apply[2]*".*

to modify as follows Rule 8.5: "Reports to the Assembly or the Standing Committee under paragraphs 3 and 4 shall contain a draft resolution proposing in its operative part:

a. ratification of the credentials;

b. non-ratification of the credentials;

c. ratification of the credentials together with depriving or suspending the exercise of some of the rights of participation or representation of members of the delegation concerned in the activities of the Assembly and its bodies. The provisions on amendments (Rule 34) shall apply[3]*".*

to modify as follows Rule 9.4: "Reports submitted to the Assembly or Standing Committee under paragraphs 2 and 3 shall contain a draft resolution proposing in its operative part:

a. confirmation of the ratification of the credentials;

b. annulment of the ratification of the credentials;

c. confirmation of the ratification of the credentials together with depriving or suspending the exercise of some of the rights of participation or representation of members of the delegation concerned in the activities of the Assembly and its bodies. The provisions on amendments (Rule 34) shall apply[4]*".*

to add the following sentence at the end of Rule 64.2: "No amendment to this conclusion shall be admitted."

---

1. Text adopted by the Standing Committee, acting on behalf of the Assembly, on 26 March 2002 (see Doc. 9369, report of the Committee on Rules of Procedure and Immunities, rapporteur: Mr Vis).
2. Amendments relating to texts on contested credentials aiming at a result which can be achieved by voting against that text are out of order (see ruling of the President of the Assembly of 6 April 2000 (AS (2000) CR 15)).
3. Amendments relating to texts on contested credentials aiming at a result which can be achieved by voting against that text are out of order (see ruling of the President of the Assembly of 6 April 2000 (AS (2000) CR 15)).
4. Amendments relating to texts on contested credentials aiming at a result which can be achieved by voting against that text are out of order (see ruling of the President of the Assembly of 6 April 2000 (AS (2000) CR 15))

3. The Assembly decides that these modifications shall enter into force at the opening of the part-session following the adoption of this resolution.
