

Doc. 150

22 November 1950

Creation of a European passport and the abolition of visas for young persons

Motion for a resolution

tabled by Mr Karl MOMMER and other members of the Assembly

The Assembly,

Bearing in mind its Recommendation No. 112 of 8th September 1949, concerning the creation of a European passport;

Taking into consideration the effect given to this Recommendation by the Committee of Ministers in sending it for study to the Governments ;

Recommends the Committee of Ministers to request Governments to complete their examination of the matter as quickly as possible;

Asks the Committee of Ministers to recommend Governments, pending the establishment of a European passport, to abolish visas, where they are still necessary, in the case of young people under 25 who are nationals of Member States.
