Committee of Ministers: guidelines for civil participation in political decision making

Written declaration No. 634

This written declaration does not reflect the position of the Assembly; only of those members that have signed it. It will not be considered further by the Assembly.

To help guarantee democratic security and ensure the proper functioning of democratic society across Europe, the undersigned members of the Parliamentary Assembly urge member States to continue to promote transparency, accountability and civil participation at all levels of government – national, regional and local.

Therefore, we call on the Committee of Ministers to adopt and publish as soon as practicable the guidelines for civil participation in political decision making referred to on page 77 of the Secretary General's report "State of democracy, human rights and the rule of law 2017".
