Sergei Magnitsky and beyond – fighting impunity by targeted sanctions

Written question No. 737 to the Committee of Ministers

by Lord Donald ANDERSON, United Kingdom, Socialists, Democrats and Greens Group

Given that the Committee of Ministers shares the Parliamentary Assembly's long-standing commitment to fight impunity for serious human rights violations wherever they may occur,

Lord Anderson

To ask the Committee of Ministers,

In view of Parliamentary Assembly [Resolution 2252 \(2019\)](#) on "Sergei Magnitsky and beyond – fighting impunity by targeted sanctions", does the Committee of Ministers foresee to provide encouragement and assistance to member States minded to adopt "Magnitsky Laws"?
