Resolution condemning the aggression committed by North Korea and supporting the action of the United Nations in defending international law

Conclusions¹

Parliamentary Assembly

1. Resolution

The Assembly, in response to the Committee of Ministers' request for the Assembly's views on the events in Korea,

strongly condemns the unprovoked aggression committed by North Korea,

fully supports the action of the United Nations in defending international law, in repelling armed attack and in restoring peace and security,

and joins with U. N. O. in appreciation of the soldiers of U. N. O. and in particular the American troops, who, in the most difficult circumstances, are carrying on a heroic struggle for the liberty of all the peoples.

1. Adopted 11th August 1950 on the conclusion of the Debate on the Report and Message from the Committee of Ministers to the Assembly. See Doc. 48.
