

Doc. 584

26 October 1956

Publication of a "model" illustrated text-book for use inschools

Motion for a resolution

tabled by Mr Karl CZERNETZ and other members of the Assembly

The Assembly,

Desirous of helping the younger generation to acquire a European outlook,

Decides to sponsor the publication of a " model " illustrated text-book for use in European elementary schools, which regional and local authorities in all member countries be asked to re-issue at their own expense;

Instructs its Special Committee on Municipal and Regional Affairs to take the necessary steps for this purpose in co-operation with the Committee on Cultural and Scientific Questions.
